**Who:** Boys entering grades 7-12 in the fall of 2019  
(Training will occur in groups for both Junior High & High School players.)

**Where:** Hempfield High School Athletic Complex. (stadium/grass fields.)  
- Meet in the quad the first night at 5:45pm. (Mumma Dr.- Landisville-17538)

Players entering **grades 7& 8** (6-8:30pm) Team Camp \$125 **June 24-27**

Players entering **grades 9-12** (6-8:30pm) Team Camp \$135 **June 24-27**

Each evening a different college head coach & his assistant will train our players. The sessions will be sequential and designed in conjunction with the PMBS staff to address specific tactical themes and technical skills that match our team approach. The various assistant coaches will help the college coaches train our players. They will be able to observe as the players seek to assimilate the concepts & skills from each day's training into the scrimmage/"friendly match" - against other local high school and junior high teams at the end of the night.

We like this approach to team camp as it is MUCH less expensive than going away over night somewhere and all interested players can participate! It gives our players some exposure to college coaches and the training they provide, and it allows our PMBS staff to see our soccer candidates in training environments and scrimmage situations. The themes are consistent with our philosophy and address areas we believe are critical to our player's development!

There will be 4 different teams participating (Penn Manor, Hempfield, Elizabethtown & Manheim Central)! This will enable us to scrimmage different teams throughout the week.
